Adrienne Worth : Raising Chickens: What to Do Once You Have Your Chickens: Feeding, Taking Care and Getting Profit: (chicken coops for dummies, raising chickens for ... to raise chickens, chicken coops and runs)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Raising Chickens: What to Do Once You Have Your Chickens: Feeding, Taking Care and Getting Profit: (chicken coops for dummies, raising chickens for ... to raise chickens, chicken coops and runs):

1 of 1 people found the following review helpful. Rough to read
By Scott Rutherford
The information was ok, but looked like a copywriter just gathering what info they could get from online sources and cobbled a book from it. Poorly written... The English is very poor.
0 of 0 people found the following review helpful. Worthless
By bob devers
Not much information. Almost worthless in setting up the chickens if you are new at this.
0 of 0 people found the following review helpful. Minimal information on each page. Typographical errors and misspellings ...
By Customer
Minimal information on each page. Typographical errors and misspellings throughout the book. It was more of pamphlet quality than that of a book

Getting Your FREE Bonus Download this book, read it to the end and see "BONUS: Your FREE Gift" chapter after the conclusion. Raising Chickens:(FREE Bonus Included) What to Do Once You Have Your Chickens: Feeding, Taking Care and Getting Profit Most of the animal species are linked to the human civilization in one way or the other.
