By Ardizn Customer Joyce Addison's book Real Estate, is a very concise manual focused on acquiring the skills and the "know how" of this rags to riches real estate business. The author guides the reader through a series of questions concerning the perspectives on obtaining a profitable buy, trade or sale negotiation on a property. It also gives the reader useful tips on "what" to identify when acquiring a new property, and "how" to reach your real estate goals and achieve a potentially good business. The author then continues to describe the strategies on a best buy on real estate home and landscape offers, ranging from raw land to single family homes to Duplex, Triplex and Quadruplex homes, and the advantage of these diverse offers in obtaining best property value. Any newcomer in this obscure real estate

business can achieve useful information and guidance with Joyce Addison's "Real Estate". 0 of 0 people found the following review helpful. This was a great read for knowledge of real estate!By tkn13My husband and I are in the market for buying a house. This book was a great for us to better our knowledge on real estate. There are so many pointers in this 167 page book for anyone who is looking to buy, flip, or invest in homes. I really enjoy how in depth each subject takes you. This is our first home that we are trying to buy so this book has helped us to understand how the market is right now and what we are looking out for. This book has details of what real estates are such as raw land, single family home, and more. Each chapter gives you so much knowledge and explanations that its hard to not know what youre getting yourself into after reading this book. I would definitely recommend this to anyone who is wanting to get into real estate or even someone who is already in the business and wants a refresher course!I received this product with a promotional discount in exchange for an honest and unbiased review. No compensation for a positive review was provided. All of my reviews are based 100% off of my experience with the product!
