**Dee Pilgrim : Real Life Guides: Plumbing** before purchasing it in order to gage whether or not it would be worth my time, and all praised Real Life Guides: Plumbing:

Everybody needs a plumber at some stage in their lives, and those who are well trained can look forward to a long and well paid career. This practical guide gives the insight you need to determine whether it's the right career for you, with

a frank description of the job, quizzes to test your skills and offering a rundown of the training options.

'Each guide provides a rich source of relevant information for young people interested in a career in the specific occupational area' NACGT Journal
