I already have the book By The Little Red Hen This was a gift for a good friend. I already have the book, and I like to read / look at the pictures over and over again to get good organizing ideas for my home. It is a great book to page through when one has a few extra minutes. I keep getting new ideas from it even though I have paged through it many times. 0 of 0 people found the following review helpful. great pictures and I found it very motivational By Heather Erickson Such practical advice, great pictures and I found it very motivational.
